HOMESURE

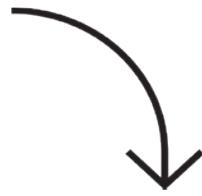

PROCESS

Order Fabric Swatches or Samples

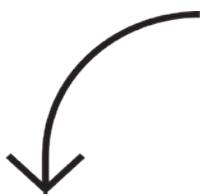

Clients can choose and order fabric swatches or ready samples to evaluate quality, color, and feel before finalizing.

Size & Design Confirmation

Once the fabric is selected, we finalize sizes, patterns, artworks, and all design details for accurate execution.

Procurement of Raw Materials

All approved fabrics or other elements are sourced from trusted suppliers to ensure consistency and quality.

Cutting as per Sizes

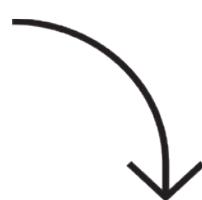

Our cutting team prepares panels precisely as per graded size charts, ensuring accuracy and minimizing wastage.

Embroidery or Printing

Branding elements (logo, text, artwork) are completed using high-quality embroidery or printing based on the client's choice.

Stitching

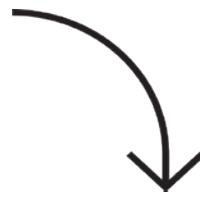

The garment is stitched by skilled tailors following industry standard methods for strength, comfort, and durability.

Ironing & Finishing

Each piece undergoes thorough ironing, thread trimming, and quality checks to ensure a crisp, professional finish.

Packing & Dispatch

Garments are packed neatly with size tags and labels, then dispatched safely to the client's location.

The screenshot shows the Cottson Clothing custom apparel design interface. The central view displays a blue polo shirt with a white infinity logo on the chest. The interface includes sections for Color Customization (Primary Color: #113858), Logo (Upload Logo), Custom Text (Enter your custom text), Sleeves Customization (Hide Sleeve View), Fit & Fabric (Fabric: Breathe, Internal Fabric: Dri-Fit Polyester, GSM: 220 GSM, Composition: 100% Poly), and a View Size Chart button.
